+ FOR LONGER 'BLOCK OUT' RATES, PLEASE INQUIRE AT JOSH@VELVETTONESTUDIOS.COM

OVERTIME RATE:

- \$80.00 per hour w/ Josh Grenko engineering

VIDEO SHOOTING AND EDITING:

- Video is priced on a per-project basis

LOCKOUTS:

- If a client wants to leave gear set up overnight, a \$200 lockout fee is charged per day.
- The lockout fee guarantees that no other sessions will be booked within the 24 hour period that is 'locked out'.
- The lockout is active for 24 hours after the session START time.

DEPOSITS:

- A deposit of 1/2 down is required before any sessions can be put on the schedule.
- A minimum of 24 hours notice is required to cancel or change session without forfeit of deposit.
- If your session is a last minute booking (less than 24 hours) you are responsible for all of the full cost of studio time that you committed to, whether you use the time, or not.

MEDIA REQUIREMENTS:

- Clients are expected to bring in their own hard drive (not a thumb drive) or 2" analog reel to record to or mix from.
- If no sufficient hard drive is provided by client, we can do the session on our session drive, however, any data on our session drive is deleted after the client leaves.
